CATHOLIC SCHOOLS WEEK
Catholic Schools Week is a special time in the year when we celebrate and give thanks for Catholic Schools, especially our own school MacKillop College.

It is a time to give thanks for the wonderful learning and teaching that takes place each day in every classroom.

This week we acknowledge and thank all who work together in the service of Catholic Education.

Some of the highlights for this week have been our Bell Shakespeare experience for Creative Arts students, our engaging Retreat for Year 11 with David and Katie Kobler, the parent planning workshop on Thursday evening led by our Parent Assembly representative Debbie Ward and our Year 7 family BBQ on Friday evening. On Monday afternoon our staff workshopped the document which underpins all we do in our schools “Foundational Values for Catholic Identity and Mission”. A typical week in the life of an outstanding Catholic school.

ASSESSMENT TASKS DUE IN WEEK 8

| Year 12 | Monday       | Standard and Advanced English | In class assessment |
| Year 12 | Wednesday    | English Extension 1           | In class assessment |
| Year 12 | Wednesday    | Music 1                      | Hand in assessment  |
| Year 12 | Thursday     | Legal Studies                | Hand in assessment  |
| Year 12 | Thursday     | Ancient History              | In class assessment |
| Year 12 | Friday       | English Extension 2          | Hand in assessment  |
| Year 12 | Friday       | Modern History               | In class assessment |
| Year 12 | Friday       | Senior Science               | In class assessment |
| Year 11 | Monday       | CAFS                         | Hand in assessment  |
| Year 11 | Monday       | Modern History               | In class assessment |
| Year 11 | Monday       | Hospitality                  | In class assessment |
| Year 11 | Thursday     | Senior Science               | In class assessment |
| Year 11 | Thursday     | Mathematics                  | In class assessment |
| Year 11 | Thursday     | Earth & Environmental Science| In class assessment |
| Year 11 | Friday       | Music 2                      | Hand in assessment  |
| Year 11 | Friday       | Biology                      | In class assessment |
| Year 10 | Monday       | Religion                     | In class research task |
| Year 10 | Monday       | Food Technology 2            | Hand in assessment  |
| Year 10 | Monday       | IST                          | Hand in assessment  |
| Year 10 | Tuesday      | PASS                         | In class assessment (ongoing) |
| Year 10 | Tuesday      | Visual Arts                  | Hand in assessment  |
| Year 10 | Tuesday      | French                       | In class assessment |
| Year 10 | Wednesday    | English speeches             | Hand in assessment  |
| Year 10 | Thursday     | Mathematics                  | In class assessment |
| Year 10 | Friday       | Music                        | In class assessment (periods 3 and 4) |
| Year 10 | Friday       | Food Technology 1            | Hand in assessment  |
| Year 9  | Monday       | Religion                     | In class research task |
| Year 9  | Friday       | English speeches             | Hand in and in class assessment |
| Year 8  | Monday       | Religion                     | In class research task |
| Year 8  | Thursday     | English                      | In class assessment |
| Year 8  | Friday       | Music                        | In class assessment |
| Year 8  | Friday       | Mathematics                  | In class assessment |
| Year 7  | Monday       | Religion                     | In class research task (all week) |
| Year 7  | Monday       | Music                        | In class research task (all week) |
| Year 7  | Monday       | English                      | In class assessment |
| Year 7  | Friday       | Mathematics                  | In class assessment |
BLESSING AND OFFICIAL OPENING

On Wednesday of this week we celebrated a very important milestone in the history of this College, the official opening of additional buildings which were completed to accommodate the rapid growth in St Agnes’ Parish Secondary schools. Over the past six years an enormous amount of planning has taken place by previous leaders of this College and all this planning has come to fruition this year. The blessing and opening was an appropriate opportunity to thank Mr Jim O’Brien and Mr Peter Murphy for all they have done as it has led to this world class facility that we have at MacKillop College. John McQueen, our Coordinating Executive Officer for Education in the Parish, worked with Jim and Peter and they should all be very proud of their work.

The building works that we officially opened and blessed this week encompass a range of rooms that will assist in the development and delivery of 21st century teaching and learning, and engaging and dynamic pedagogy. These works include:

- Extensions to our College Library and staff work areas
- A student study dedicated to enrichment and intervention
- New science laboratories
- A new Metal and Marine Studies block
- An additional Food Technology room
- 16 new general learning areas allowing for a range of flexible learning spaces
- A new gymnasium and open learning space
- Refurbishment of general learning areas
- A specialist state of the art Creative Arts block nestled around an architecturally designed 235 seat theatre, spacious music and drama rooms and soundproof recording labs for individual practice.

As our rich history and outstanding success stories are continually built upon, MacKillop College shines as an exceptional Year 7-12 learning environment.

MacKillop College’s Vision which was formed as we worked through our School Review and Improvement process in 2015 is:

To create authentic, courageous, faith-filled young people with a passion for learning, respect for relationships and an ability to contribute to a global community.

These new buildings will provide the contemporary learning environment which will enable this vision to be achieved.

We are truly blessed to work in these engaging learning spaces which are conducive to achieving such goals.

Our focus, which will be enhanced by these new buildings, is the continued development of a nurturing and stimulating learning environment which is learner-centred, academically challenging and inclusive. As a professional learning team, the staff at MacKillop College take seriously their responsibility in engendering a love of learning and developing life-long learners.

The College motto “Summa Tentabo”, “strive for excellence” is to be modelled in the daily work of all members of this community. Staff at the College are committed to this and I thank them for all they continue to do for our students. We are all very lucky to have the opportunity to be a part of such a dynamic community.

While this week we celebrate the opening of these buildings, the true celebration should be the affirmation of the people, past and present, who have dedicated themselves to achieving such worthy goals.
Firstly our parents who are very supportive and share our vision, and the students who strive to achieve their personal best as they grow and develop along the journey of their secondary education. All members of the MacKillop College community are to be proud of what they achieve; they bring life to these buildings and allow the blessings of a catholic education to shine forth and flourish.

I sincerely thank all staff for their flexibility in working in an environment which encompassed a massive building project while they simultaneously continued their daily work. I also thank the building companies of Lianda Constructions Pty Ltd and Commercial Project Group (CPG) whose teams built our new and impressive rooms. Mr Andrew Briscoe was the Project Manager representing the parish had the tough job of keeping a lid on all the extreme requests he received from staff; he controlled the budget! I congratulate him on his great work.

Mr Adam Kelly led the planning and design of the rooms in our three storey block. His intention was to develop collaborative learning experiences which provide students and teachers with the opportunity to explore, experiment and be challenged in their thinking. Learners gain deeper insights and new knowledge, and make meaning when the environment supports these collaborative partnerships. Through problem solving, critical thinking and working creatively, learners build capacity, skills and resilience. I am confident his ideas will bear fruit throughout the next few years.

Teenagers thrive in environments that are safe, supportive and secure. Flexible and intentionally developed learning environments encourage innovation and inquiry, and help create a sense of belonging and purpose that strengthens the learning culture. Our new learning environments are stimulating and appropriately resourced. They promote high expectations and respect diversity and difference, facilitating learning for all students.

I would like to thank Adam sincerely for all that he has done in relation to these building projects.

I am indebted to our parish for all they have done to support catholic education. I have reaped the benefits both personally and professionally as my four children attended these schools and I have had a wonderful experience working in this parish for many years. I would like to especially thank our Parish Priest Fr Donnelly as his vision and passion for outstanding education is second to none. He is wonderful to work for and is also a highly valued friend. Fr Donnelly will always say that he has the right people working with him and I would like to take this opportunity to acknowledge and congratulate the Chief Executive Officer of St Agnes Parish, Mr Adam Spencer. Adam has great experience in educational leadership himself and over the past 3½ years he has added a truly professional and forward focused skill set which has ensured a high class standard across all areas of our awesome parish and I know that Fr Donnelly values Adam’s outstanding work.

The MacKillop College community will add a special richness to the lives of staff, students and parents and I look forward to building stronger links which will keep all members connected as they journey through this exciting time in Catholic Education as we officially open the doors of our new buildings this year.

SPECIAL PRAYER FOR CATHOLIC SCHOOLS WEEK

Lord Jesus,
You came among us as teacher, to reveal to us the Father’s endless love and mercy.
Our Catholic schools continue to give witness to your compassion and wisdom,
special attention to ensure that we are all welcome no matter who we are.
May our Catholic schools continue to be places of belonging and sources of hope and enthusiasm for our young people and their families.
May the work of our Catholic schools always be guided by the inspiration of your Spirit.
We ask this through Christ our Lord,
Amen.

“May the Spirit of the Lord be with you”

Anne O’Brien
Principal
aobrien@lism.catholic.edu.au
FIFTH WEEK OF LENT:

Before enrolling in the Mondulkiri Community Health Program, supported by Caritas Australia, young midwife Sreymom lacked the practical experience necessary to safely assist childbirth. Now, with the skills and knowledge gained through the program, Sreymom is a trusted midwife who is helping to improve the health of indigenous women and children in her region.

Please donate to Project Compassion 2016 and help healthcare workers in isolated areas of Cambodia gain vital training to improve the health and wellbeing of the region’s indigenous women and children. You can donate through School boxes, by visiting www.caritas.org.au/projectcompassion or phoning 1800 024 413.

KAIROS: RETREAT OPPORTUNITY FOR SENIOR STUDENTS

St Agnes Parish Secondary Schools are embarking on an exciting new initiative in the delivery of senior student retreats by preparing to host Kairos Retreats in our area in 2016.

A brief history of Kairos in Australia, courtesy of St Aloysius College Principal, Fr Chris Middleton can be found below:

In the United States many students in the 48 Jesuit high schools undertake the Kairos retreat and many see it as the single most influential experience of their senior school years. In 2000 the Kairos retreat was introduced to Australia in Adelaide by Fr Cameron Ayers SJ and four senior students from Brophy Jesuit High School, Phoenix, Arizona.

In 2004 a group of students from St Aloysius undertook the retreat in Adelaide and brought it back St Aloysius in Sydney. To date almost 930 students have completed the retreat and it has become a distinctive part of the Aloysian experience. In this Kairos retreat about thirty students from Year 11 will attend the retreat. The retreat will be led by adults, and by six students who have done the retreat previously.

There are many reasons that Kairos is successful. One important reason is that it is led by students, their peers. They are guided through the retreat by staff members, but the impact of the retreat is very much linked to the fine leadership of the students who work very hard to present this experience to students their own age.

The first SAPSS Kairos Retreat will take place this year from Tuesday, 29th March – Friday, 1st April at The Francis Centre, Bonny Hills. Interested students are invited to collect an information note from the main office. Ms Lancaster can be contacted for further information. We are looking forward to this exciting new chapter in our retreat program, and wish Mrs Gobius and the Year 12 student leaders all the best with their preparations.

Joan Lancaster
Leader of School Evangelisation
SUBJECT & ELECTIVE FEE STATEMENTS
Thank you to all those families who have made payments towards the subject and elective fees. If paying in full, payment would be appreciated by Friday, 18th March. We appreciate that this may not be possible so would encourage families to establish regular weekly/fortnightly payments via Bpay (refer to statements for payment details) to ensure amounts are cleared as soon as possible. Other methods of payment include cash, cheque or via credit card (over the phone). Direct debit is NOT an option for payment. These fees are in addition to St Agnes’ Parish tuition fees. Reminder statements will be emailed during Week 9. Enquiries relating to subject and elective fees should be directed to the College office.

STUDENT INFORMATION VERIFICATION FORMS
Thank you to all the families who have returned the student information verification forms.

It is very important that the College is notified of any changes to student information. This includes changes to parent contact details, address, emergency contacts and most importantly medical information.

Parents/guardians are asked to make any changes to the form, sign, date and have your child return the form to their PC teacher. If there are no changes, please also sign, date and return the form. Any families who may require a verification form to be reissued are asked to contact the College office to organise a reprint of the form to be sent home.

Please assist by ensuring all forms are returned as soon as possible so that current information is available for upcoming camps and excursions.

YEARS 12 NEWS

CARITAS/PROJECT COMPASSION FUNDRAISING ACTIVITIES
1. Year 12 Coinline – held today. At this stage the amount raised is not known but will be published in the next newsletter.
2. Project Compassion boxes – these are in each PC room. We ask students to give generously until the Easter break. One of these boxes has been placed on the shelf in the canteen so that any spare change can be donated.
3. Out of Uniform day - Thursday, 17th March “Symbols for Caritas” where students and staff come dressed in a theme based on the letters in the word CARITAS. This has been organised by the SRC and two posters (displayed later) promote the day. Each student is expected to donate $2 during PC on this day.
4. Music Concert organised by Mr Denham for Thursday, 7th April at lunch in the junior MPC (gold coin entry).

POWER OF CHOICE
This powerful road safety program will run from 12.00p.m. onwards on Friday, 18th March.

CCC GOLF
Congratulations to Jackson Jubelin who competed in a CCC Golf tournament at Tuncurry and won convincingly. Jackson will compete in the All Schools Golf Championships later in the year.

Phil Lloyd
Year 12 Leader of Pastoral Care
plloyd@lism.catholic.edu.au
YEARS 11 NEWS

YEAR 11 RETREAT DAY
It was wonderful to see Year 11 engage so positively with their Retreat Day which was held on Tuesday of this week. A range of contemporary issues affecting adolescents were discussed throughout the day which was met at all occasions with maturity and interest from students in Year 11.

CARITAS COINLINE FUNDRAISER
Congratulations to Year 11 students who gave so generously to Project Compassion in our coinline fundraiser. Further details of the amount raised will be communicated in the next newsletter.

CARITAS OUT OF UNIFORM DAY
A reminder that next Thursday, 17th March is an out of uniform day for the entire school. Students are asked to wear clothes which represent the symbols of Caritas. Further details will be provided to students over the coming week.

CCC GOLF
Congratulations to Lily Baker who competed in a CCC Golf tournament at Tuncurry and will play in the next stage.

Andrew Marsh
Year 11 Leader of Pastoral Care
amarsh@lism.catholic.edu.au

YEAR 10 NEWS

RETREAT – WEEK 9
Retreat is closing in fast. Some students have not returned their permission slip, please prioritise this as venue, meal planning and sleeping arrangements are reliant on these notes. Students have been placed in one of four retreat groups. These groups have been on display at school and have been emailed to the students.

Please check your group carefully and note the departure times below. Students are asked to arrive 15 minutes before the advertised departure time.

Monday-Tuesday groups
Forster Group 1 (Camp Elim) – Depart Monday, 21st March at 7.30a.m.
Bonny Hills Group 1 (Francis Retreat) - Depart Monday, 21st March at 8.15a.m.

Wednesday-Thursday groups
Forster Group 2 (Camp Elim) - Depart Wednesday, 23rd March at 7.30a.m.
Bonny Hills Group 2 (Francis Retreat) - Depart Wednesday, 23rd March at 8.15a.m.

STUDENTS CHECK YOUR EMAIL
Year 10 have some important emails in their inbox from this week. The first email is in reference to the Year 10 retreat groups and the second is on directions to access your PDHPE assessment task which has been opened on Moodle this week.
CHARLOTTE MOORE'S FUNDRAISING EFFORTS
Congratulations to Charlotte Moore on her recent fundraising efforts. Charlotte has taken a big step in having the majority of her beautiful long hair cut and donated for a good cause. The program which has received Charlotte’s hair donation supports Australian children with alopecia, a condition which causes hair loss from the scalp and, in some cases, all areas of the body.

Her donations of human hair will be sent to specialised wigmakers and made into wigs to help instil confidence, independence and self-esteem in children who suffer from the incurable disease.

Warren Lorger
Year 10 Leader of Pastoral Care
wlorger@lism.catholic.edu.au

YEAR 8 NEWS

Congratulations Teonie Nelson and Lucy Waser who have earned the first Pastoral Coordinator Awards in Year 8. I look forward to awarding these and more in our year group assemblies.

Year 7 & 8 Trivia afternoon was full of smiles, giggles and great spirit in raising just under $500 for CARITAS Project Compassion. Thank you to PC teachers, staff and students who supported this community service initiative.

Gemma Mooney and Lucy Waser
Klairre Fallon and Grace Kuhnell
Amelia Munro, Miah Redfern, Paige Wilkinson and Megan Pugh

Nicole O’Connell
Year 8 Leader of Pastoral Care
noconnell@lism.catholic.edu.au

YEAR 7 NEWS

As you are reading this newsletter we will be either at the Year 7 BBQ or finishing it.

It has been another busy week with:
- assignments;
- the opening of our new school buildings and;
- our Year 7 BBQ.

As a Year Coordinator I have dealt with a number of incidents this last week with students messaging in class. It’s disappointing given the amount of time/resources being used to make our students conscious of safe and mature use of technology. An afternoon detention is the standard consequence given for such an offence.

I would like to thank all those Year 7 families plus staff for making themselves available to share in our BBQ; it’s a great way to initiate those partnerships with parents and to mix and mingle as a community.

Any donations of baskets for the Easter egg raffle would be very much appreciated.

Congratulations to the following students who received a Pastoral Coordinator’s Award this week: Chelsea Arnold, Saoirse Barltrop, Luke Burris, Italia Crisafi, Isabelle Champion, Britney Densham-Ingram, Lecke Frost, Jared Humphreys, Kashia McGrath, Maddison McKee, Mackinley Murphy, Tom Nunan, Grace Smith and Ella Wilson.
A special thank you to Year 7 and 8 students and PC teachers and other staff who attended our Project Compassion Trivia afternoon and games. We raised close to $500 … well done!

Have a great weekend.

Dom Ashe
Year 7 Leader of Pastoral Care
dashe@lism.catholic.edu.au

SRC NEWS

Phil Lloyd and Andrew Marsh
Leaders of SRC
National Assessment Program – Literacy and Numeracy 2016

LETTER TO PARENTS

In May 2016 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by students in Years 3, 5, 7 and 9. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy skills of students across Australian schools.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child’s level of achievement. Each student’s level of achievement will be reported against the national minimum standard.

Student background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student’s right to privacy is maintained.

The NAPLAN tests will be conducted from 10-12 May 2016.

<table>

<tr>
<th>TUESDAY 10 MAY</th>
<th>WEDNESDAY 11 MAY</th>
<th>THURSDAY 12 MAY</th>
</tr>
</thead>
<tbody>
<tr>
<td>Language Conventions (Spelling, Punctuation and Grammar)</td>
<td>Reading</td>
<td>Numeracy</td>
</tr>
<tr>
<td>Writing</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be two Numeracy tests: one where a calculator is allowed and one where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

Friday 13 May – A ‘catch-up’ day is scheduled for students who missed a test or were absent on a test day.

Students may be considered for exemption from the tests if they:

- are newly arrived in Australia (less than one year before the test) and with a language background other than English, or
- have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments which reflect the student's normal level of support in the classroom may be provided. Large print, Braille, coloured paper versions and electronic tests are available to meet the needs of individual students.

Access to disability adjustments or exemption from the tests must be discussed with the school principal and a parent or carer consent form must be signed.

Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents in consultation with the school principal. If you wish to withdraw your child from the tests, a parent or carer consent form must be signed.

Please make an appointment with the principal of the school your child attends if you would like to discuss your child’s participation in NAPLAN.

Additional information about NAPLAN can be found at [www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html](http://www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html).
CAREERS AND UNIVERSITY TRANSITION NEWS

MACKILLOP COLLEGE CAREERS WEB PAGE:
It’s a one stop shop for everything you need with career planning and help.

Find out about any of the following:
- Applying to university anywhere in Australia
- University Open Days
- Choosing or comparing universities
- Doing interest tests
- Creating a resume
- Defence Force careers
- Police Force
- Links to education providers (TAFE, Colleges and Universities across Australia
- Scholarships

Students and parents are able to subscribe to receive a “Careers Newsletter” at least twice each term from the site administrators. If you wish to do this, just enter your name and email address on the home page and click ‘Subscribe Now’.

In addition to these wonderful tools I will also publish a newsletter with relevant information for either Year 11 or 12 students and their parents. All Year 11 or 12 are automatically sent this information, however, if any parents also wish to receive these updates please email me and I will add you to the list. All I require from parents is a first name, email address (I can retrieve this from your email) and whether your child is in Year 11 or 12. My email address is: mnkelly@lism.catholic.edu.au.

Thank you to those who have registered already!

Michael Kelly
Leader of Careers and University Transition

PDHPE NEWS

The focus of both Stage 4 and 5 PDHPE content is to improve the lifelong health and wellbeing of our students. As such, there is an emphasis on a range of health promoting behaviours that will have long term benefits. This focus on holistic health means that it is important for parents and families to work with our school in supporting this endeavour. This is possible by knowing what students are currently studying in the classroom.

**Year 9** are working on a unit called “Handling Challenges”, which specifically relates to drug use and sexual health.

**Year 7** are also learning about strategies to manage the changes associated with puberty. Both topics contain sensitive content where it is important that the school works closely with parents to provide accurate and appropriate information within the guidelines of our Catholic ethos.
Year 8 are learning about the factors that impact on our health, with an emphasis on preventative strategies and healthy lifestyle. Diet, physical activity, managing a healthy weight, sun safety, immunisation and hygiene are some of the areas covered. This is another topic where families can provide input from home.

Year 10 are focusing on how to ensure a balanced lifestyle in order to effectively manage stress and enhance mental wellbeing. With 26% of young people experiencing a mental illness, especially high levels of anxiety and depression, this is particularly important. Students will be completing tasks on these mental illnesses and the support services available to assist in their management.

If you have any questions regarding the content of the PDHPE course, please do not hesitate to contact me or your child’s PDHPE teacher.

Jenny Watson
PDHPE Teacher

SCIENCE NEWS

NATIONAL YOUTH SCIENCE FORUM (NYSF) FOR YEAR 11 SCIENCE STUDENTS IN 2016 ENTERING YEAR 12 IN 2017
The NYSF helps students moving into Year 12 who wish to follow careers in science, engineering and technology by introducing them to research and researchers, by encouraging the achievement of excellence in all their undertakings, and by helping to develop their communication and interpersonal skills. It also fosters discussion of, and interest in, major national and global issues and emphasises the importance of maintaining continuing active interests in sport, arts and music.

The NYSF’s mission is to provide community-minded and science focused young Australians an opportunity for network development and insight into skills, careers and a lifetime of achievement in science, engineering and technology.

The flagship event of the NYSF is the January Forum. Until recently this event had been held exclusively in Canberra and hosted by The Australian National University. In 2010 the NYSF introduced a third session, in Perth, co-hosted by the Curtin University and The University of Western Australia.

One of the most important aspects coming from the NYSF is a network of friends, colleagues and support groups throughout Australia, which will be of value to participants for the whole of their lives.

The NYSF continues after January with a series of Next Step Programs in Australia’s capital cities and afterwards as a network of people with common aims.

Expressions of interest open 1st March, 2016 and close 31st May, 2016.

I have spoken to most of the Year 11 science classes about this wonderful opportunity and provided some information handouts. Students with a real interest in science, doing at least two science subjects and considering a science-based career, are strongly urged to consider this program. Any questions about the NYSF program can be directed to me or likely found on the NYSF website www.nysf.edu.au.

All applications are made online. Rotary clubs usually generously sponsor approximately half of the cost to selected students, with students and their families filling the balance (somewhere in the order of $1500).

Phil Lloyd
Science Teacher
**SHAKESPEARE NEWS**

**BELL SHAKESPEARE VISITS MACKILLOP COLLEGE**

Years 9-12 Drama students, Years 9 and 10 English students and HSC Advanced English students had the wonderful opportunity to see the Shakespearean works *Hamlet: Out of Joint* and *Romeo and Juliet: Such Sweet Sorrow* by Bell Shakespeare’s Actors at Work on Monday. Interspersing original text with modern commentary, four talented actors illuminated the plays to complement our students’ study of Shakespeare. It was fantastic for our students to be able to see Shakespeare’s work brought to life through live performance!

Jo Stuart  
Drama Teacher

**MC CENTRAL – LIBRARY CONNECT NEWS**

The library website mccentral.libguides.com is the place for students to locate information. Three libguides specifically created for assessment tasks were posted to the site this week. Students in Years 7, 8 and 9 had the libguide link emailed directly to them. If your child is looking for authentic, quality information mccentral is the place to look first.

Year 7  History “History mystery” - Otzi the iceman and Narrabeen man mccentral.libguides.com/historymystery

Year 8  History “Vikings” mccentral.libguides.com/vikings

Year 9 English “Motivate to donate” mccentral.libguides.com/motivatetodonate

**REPRESENTATIVE SPORT**

Week 6 and 7 have been busy weeks in sport. Last week our triathletes travelled to Penrith to compete and were put to the test under difficult conditions with soaring temperatures. Despite the conditions, some excellent results ensued namely **Lleyton Wall** who will now be competing in National All Schools Triathlon Championship in Hervey Bay. The intermediate boys team of **Tom Berryman, Scott Heslop** and **Griffin Goodman** were also standouts, winning a silver CCC medal in the teams event.
On Monday Lily baker, Ollie Payne and Jackson Jubelin competed in the Northern division of the CCC Golf Championships, each achieving excellent results. Jackson’s performance was outstanding shooting 2 under off the stick. Hayley Jones competed in the CCC tennis Championships in Parramatta, whilst Declan Harding competed as an integral member of the CCC water polo team in the ALL Schools Water Polo competition. All of our students have done themselves and our college community proud.

Meanwhile on Thursday four teams of Rugby League players participated in the Hastings 9’s competition at Tuffins Lane, whilst 32 of our best swimmers travelled to Kempsey for the diocesan swimming carnival. Full reports on all of these events will follow in future newsletters.

**GIRLS RUGBY**

On Tuesday afternoon we had our first Rugby Union training specifically targeted at girls. Twenty Five girls attended to train with rugby coach extraordinaire Alisi Wilson. She took the girls through s of the basics of the game with a focus on tackling and sevens rugby. The girls are in training for the Rugby sevens in Taree in April and with more training sessions to come during lunchtimes this term should be competitive on the day. With sevens rugby an Olympic sport now the girls sights are firmly set on Tokyo 2020. Many thanks for Alisi for giving up her time to train and the girls for giving a new sport a go.

---

Daniel Blackman
Rugby Coach

## COLLEGE MUSIC NEWS

### VOCAL ENSEMBLE 2016

Congratulations to the students listed below who were successful in auditioning for the MacKillop College Vocal Ensemble. This ensemble will rehearse every Wednesday morning from 8.00a.m. – 8.45a.m. directed by Ian Castle.

- Ciara Poppleton (Year 10)  
- Ella Wehlow (Year 10)  
- Daniel Chapman (Year 10)  
- Maddi Buekers (Year 9)  
- Francesca Plentiger (Year 8)  
- Stephanie Nelson (Year 8)  
- Sarah Grave (Year 8)  
- Madeleine Geary (Year 8)

### SENIOR STAGE BAND AND PRAISE BAND

Senior Stage Band rehearsals have been moved to Wednesday mornings from 7.45a.m. to 8.45a.m. in the Theatre commencing Wednesday, 16th March. Praise Band will still rehearse at Monday lunch when required. This year, members of the Vocal Ensemble are also invited to attend this rehearsal. Please check morning notices for details.

### LITTLE BIG BAND

A new ensemble in 2016, Little Big Band is open to all students from 7 to 10 of beginner to intermediate level who play a Jazz Band instrument. Members of this group will feed into the Senior Big Band.

Rehearsals take place every Friday morning from 7.45a.m. to 8.45a.m. under the direction of Mrs Adams and Mr Clark. The ensemble rehearse jazz band arrangements of a range of popular styles of music. If you are interested in participating in this ensemble please see Mrs Adams or Mr Denham for more information.

"Beautiful music is the art of the prophets that can calm the agitations of the soul; it is one of the most magnificent and delightful presents God has given us.” Martin Luther King
**WOODWIND ENSEMBLE**
The MacKillop College Woodwind Ensemble has reformed and is back in rehearsal with Sharon Green on Thursdays. All clarinetists and flautists from the Concert Band are welcome to participate in this ensemble. Please see morning notices and the music noticeboard for rehearsal schedule details.

**CO-CURRICULAR MUSIC OFFICE**
The co-curricular music office exists between J16 Music room and the Band room in the ‘Music Hub’ area near the MPC. A timetable will be posted outside this office with details of when Mr Denham and Jack Titterington (Music Trainee) will be available to answer questions or issue information. All co-curricular music enquiries are to be made to either Mr Denham or Jack in person at this office or via email. Important music related information will be posted on the noticeboard outside this office throughout the year, including timetables and performance dates.

**PERFORMING ENSEMBLES SHIRTS**
All students participating in MacKillop College Ensembles are required to purchase a shirt to wear at performances. This shirt will be worn with black trousers, black socks and black shoes at all performance events including:

- Assembly performances and school functions;
- Lunchtime concerts at the Glasshouse;
- Big Band Blast;
- The annual Music Showcase & Awards Night.

Students are to see Mr Denham or Jack Titterington at rehearsal or in break times in the Band Room to order a size. Sample shirts will be available for you to try on.

All payments are to be made to the main office with the attached note as soon as possible. I encourage students to order a slightly larger shirt if still growing. This performance shirt will be able to be worn across all MacKillop College and SAPSS Bands into the foreseeable future.

**CO-CURRICULAR MUSIC WEBSITE**
All students participating in the co-curricular music program are encouraged to bookmark this page and regularly refer to it for information and notices. This website can be found within the College website or by using the following link: [http://pmaclism.catholic.edu.au/creative-arts/co-curricular-music](http://pmaclism.catholic.edu.au/creative-arts/co-curricular-music)

A range of information can be accessed on the website including:
- Ensemble information, rehearsal schedules and sign up forms
- Music tuition information
- Major event information
- Photos and video of performances
- Gig and excursion notes

All information given to students in rehearsal is posted on this site. It is a great resource to aid household organisation! Please contact Mr Denham if you have any problems accessing information on this site.

**SAPSS CONCERT BAND**
The SAPSS Concert Band is currently rehearsing at St Joseph’s Regional College from 7.30a.m. – 8.45a.m. on Tuesday mornings. For more information please contact Sharon Green.

PORT MACQUARIE SHARKS JUNIOR RUGBY LEAGUE

Players Wanted! The Port Macquarie Sharks Junior Rugby League Club are after interested players for the under 14’s division. If you are a young boy turning 14 this year and want to have fun, develop the skills of rugby league and enjoy hanging out with friends then contact the club today. The contact details are as follows:

Contact Name: President: Gordon Witherspoon
Port Macquarie Sharks Junior Rugby League Club
Email Address: gjwitherspoon@hotmail.com
Phone Number: Gordon Witherspoon - 0404775069

THE O’RAFFERTY RULES SURFING COMPETITION

The O’Rafferty Rules Surfing Competition is held every two years to encourage and promote surfing at junior level in the Greater Camden Haven/Port Macquarie region, as well as having a good mix of NSW and interstate competitors participating. Darren O’Rafferty, one of Camden Haven’s finest ambassadors of surfing on the world stage, has once again lent his name to the event and will be on hand to encourage and cheer on the locals. Great prizes are on offer for everybody as well as a Surfboard Draw at the Presentation (entry form is attached and is available at all surf shops).

All enquiries to Andy Cross on 0413 487 173 or by email at kcr32355@bigpond.net.au.

After a great inaugural competition in 2014 we are looking forward to great surf once again and the return of all our exciting young surfers putting on a great exhibition of their surfing skills in and out of the water. We have so many great prizes to give away. Every competitor gets a competitor’s bag, packed full of surfing gear to the value of $50.00, and goes in the draw to win a surfboard for their division. We have a surfboard to give away for every division!

JOPRIM will be closed for stocktake from Thursday, 10th March – Saturday, 12th March inclusive.
